

September

Bookbeat

Froid Public Library

The second week in September will be a busy one at our library! On **Wednesday, September 14th** we will have a “**meet and greet**” with **Dr. Jimmie Ashcraft at 1:00 following the Senior meal**. Dr. Ashcraft will be sharing his latest book, *Paging Dr. A: Continuing Stories from a Country Doctor*. This is the fourth book in his collection all of which are available at our library thanks to the generosity of Dr. Ashcraft. He spent 25 years as a physician in Sidney so we can relate to many of his entertaining stories.

On **Thursday, September 15th at 6:30 in the evening** we will have **Jerry Barlow, Celtic guitarist** in concert at the library. “His expressive arrangements of lively jigs, spirited reels, and haunting airs is described as music to soothe the soul, warm the heart and lift the spirit.” Barlow's music has been presented on NPR and PBS. This concert is sponsored by the Roosevelt County Library and is free to the public. What a wonderful opportunity for some great free entertainment!

1000 Books Before Kindergarten: This is a DIY program that encourages parents to read at least 1,000 books to their child before they start Kindergarten. Here’s how it works: Come into the library and sign up and I’ll give you a folder with a reading record, tips for reading to your child, and coloring sheets. Every time you read a book with your child you check it off. Every time they read another 100 books they can come into the library for a prize. When they finish 1,000 books they'll get a gift card for a book from Barnes and Noble. This program is completely free of charge.

Page-turners: We start *Mrs. Lincoln's Dressmaker* by Jennifer Chiaverini on August 31st. Join us at 11:00 for a 1 hour discussion. Our ILL lady has asked me to give her another list of potential books for book club. If you have any ideas let me know.

Friends of the Library will meet Thursday, October 6th at 4:30. This will be the final planning meeting for the pie social.

Froid Library Hours: 11:00 to 5:00 Tuesday, Wednesday, and Thursday
