

OCTOBER

Happy fall everyone! Are we ready for all the fun that is going to happen this month?

The book club book for this month is "Hattie Big Sky" by Kirby Larson. They will be meeting on the 29th at 11 am to talk about it.

The Pie Social date has been decided for the Froid library at the community center. the date is October 16th at the community center from 3pm-6pm. come support your local library and taste some delicious pies that everyone has made!

We are also going to be doing something fun for the kids. We have little canvas bags that the kids can paint for their own trick or treat bags! This is going to be such a fun little project. If anyone has any old Halloween cookie cutters that they aren't using I would love to use them for this project. Please bring them by the library and I will make sure they are cleaned before I give them back to you. The date is the 23rd of October from 4pm-6pm.

Are you a history buff? Have you seen our Montana section? Or even the history of Froid? Come check out at the back of the library and come hear stories of those who grew up here. It is so wonderful that our little community has this amazing little section in our library.

The Nyquist essay is still going on until the 30th of November. the writing prompt is "Why do you think art (visual art, performing art, etc.) is important to society? please provide examples." If you have any questions, please let me know.

I know that I am supposed to answer the "What am I reading?" question. I have failed again BUT progress, I have checked out a book, I just haven't cracked it open yet ha-ha. I am also listening to "The Help" by Kathryn Stockett. I did enjoy the movie, but I am definitely loving this book more.

Thank you all for supporting our little library!

Cheyenne Heller- Town Librarian
