

Hello everyone! Happy September to all and welcome back to school students! A lot has happened, and I am so sorry that I didn't release an August newsletter. I was sidetracked with all that I had on my mind it slipped my mind until I looked up and saw it was September. This year is just cruising right along!

Our Summer reading program came and went and honestly it was wonderful. I was so happy to see so many kids come and I really do hope they enjoyed the program as much as I loved to put it on! The artwork that these kids did was absolutely amazing we have some very talented kids. We also had 2 kids who read over 30 books this summer (holy way to read!) so, they both got a \$25 gift card to Books on Broadway in Williston. Congratulations to Madison and Parker for reading so many books!

There will be a Froid Friends of the Library meeting on the 17th of September at 1 p.m. here at the library to discuss the date and time of the Pie Social that will be held next month. This meeting is open to the public so come and see what else is going on in the library news.

The book club book for this month is "A Wedding in Haiti" By Julia Alvarez and they will meet Wednesday September 24th at 11 am to discuss this book.

Students in grade 8-12 it is time for the Nyquist Essay contest. This year the writing prompt is "Why do you think art (visual art, performing arts, etc.) is important to society? Please provide examples." The deadline is on the 30th of November. There is more information on their website at nyquistfdtn.org and you can also come down to the library and ask me.

Now I know that I am supposed to tell you guys what I have been reading but unfortunately, I haven't even had time to pick up a book. This summer has been so busy like for all of us. However, I am hoping once the winter months come in I will have time to read.

Thank you all so much for supporting our little library and let's have the best school year ever!
